

Located in the Westchase District of Houston, BriarLake Plaza I is a state-of-the-art office property with 502,413 square feet of space. Developed by Tishman Speyer Properties, the building was completed in 2000. Keiji Asakura provided landscape design for the fountains, lake and other outdoor amenities of the project.

Key Features of the project:

- Spectacular views of downtown Houston
- One-acre lake stocked with catfish, blue gill, and bass for fishing
- Landscaped courtyard with outdoor seating
- Outstanding visibility and easy access to Beltway 8
